Celebrating our new look!

From old to new! Those of you who have been long-term patients in the practice remember our famous green awnings! But we have said good-bye to them and we now have an updated look and feel. You will see our sign lit up for miles at night-time.

Stay tuned for some exciting updates planned for inside the practice over the winter.

What can you expect at 860 Dental?

At 860 Dental, our caring team of professionals strives to make your experience comfortable and memorable.

Using the latest technology including intraoral photos and digital x-rays displayed on large screens, we will show you exactly what is going on in your mouth. This allows you to make informed treatment decisions and have confidence that you are receiving the best possible service. We offer child-friendly services, implants, evening hours, direction insurance billing and sedation.

Visit us in person, online or on Facebook! We'd love to see you! Like us on Facebook before October 31, and be entered in a \$250 draw.

Thursday 17th

Dress for the cause!
The theme is pink this day for Breast Cancer Support.

November:

Friday 1st, 2-5pm

Toddler day!
Bring your 2&3 year olds!
Tour the office & meet the Tooth Fairy!

Meet Our Staff!

We know how important it is for you to feel comfortable with and confident in your dental professionals. So we have assembled a group of dentists that is sure to please even the most nervous patient. Conscious sedation using oral sedatives or nitrous oxide is available to all patients.

The Dentists

Dr. Gregus, Dr. Gomes and Dr. Mina are probably one of the friendliest teams of dentists you will find.

The Dental Hygienists

Our dental hygienists Sonia, Jayme and Shella are experts in taking care of your teeth and gums. They are gentle, thorough and friendly.

The Staff

Kara, Fiona and Stephanie are here to help you in all other areas of the practice whether its at the desk or in the operatories.

Giving Back to the Community

860 Dental holds a year-round found drive. Periodically the collected items are dropped off at food banks around the city. Feel free to bring non-perishable items in during any of your visits to 860 Dental.

We also participate in worthwhile causes like Cancer Walks, and sponsor important groups like Autism Awareness.

Dental Corner – Tooth Whitening

Tooth whitening is one of our most asked questions! Professional whitening products are the best since they are made in a higher concentration that is very effective for whitening and because the procedure is performed under the supervision of the dental team. Drug store products may work, but their effect is usually minimal and often not worth your investment. Ask for your free whitening consultation.
